New business presented by Tammy Scott.

Deron Johnson, Tammy Hux, and I will be attending the Sate Meeting for District 3. This will be from September 13-16, 2026. We have three members of management who will be joining us as our guests to represent RDU Res (Linnea, Krista, and Sharon Williams).

We will be hosting another steward refresher sometime this fall. I (Tammy Scott) am planning on having carpal tunnel surgery on both hands this Fall. So, Deron and Sebrenda may be teaching this refresher.

End of New Business.

Report of Committees

Safety Committee-Please reach out to Andrew Marteka or Alan Creason if you have any safety concerns that need to be addressed at the res office. They are always available for any questions or concerns to present at the safety meeting.

The third quarter 2026 Safety Meeting Minutes Meeting attendees:

Andrew Marteka and Linnea Reline met on August 27, 2026 at 2 p.m..

Old business: It was mentioned that parking lot light poll #68 was still burned out. Linnea said the bulb was replaced but she fears it is a socket issue. She'll follow up with the landlord.

Andrew noticed that some of the cafe's long rectangular rugs were secured by black tape where the corners were sticking up. I thanked Linnea for addressing that.

New Business: In my on-going, almost daily walk-arounds, I had noticed a pile up of office chairs in Training Room A. Linnea said training room A is a repository for broken chairs as we begin construction on reducing the space the office needs. Linnea asked me to keep a hawk's eye out in the coming weeks and months as construction starts and report any safety issue to her immediately. I reconfirmed who to report to and she told me directly to her. Linnea is responsible for the office. I happily agreed.

The Safety Committee Meeting ended at 2:30 p.m.

Health & Welfare: Please keep our members and their families in your thoughts and prayers.

Wear Red Thursdays: Howard Carty
